## BATHURST RESOURCES LIMITED

### Shareholder Share Purchase Plan - Terms and Conditions

#### Purpose

The purpose of the Shareholder Share Purchase Plan (**the Plan**) is to offer shareholders of Bathurst Resources Limited (**BTU** or **Company**) the opportunity to acquire additional fully paid ordinary shares in the Company (**BTU Shares**) up to a maximum of A\$5,000 (in the absence of ASX and ASIC approval) in any 12 month period at, potentially, a discount to the market price of BTU Shares on the financial market operated by ASX Limited (**ASX**) without the need to pay brokerage costs and without the need for BTU to issue a Prospectus, upon such terms and conditions as the board of directors of BTU, in its absolute discretion, sees fit.

#### Shareholders eligible to participate

Eligible shareholders of BTU Shares that are registered with an Australian address at the relevant record date may participate in the Plan. Due to foreign securities laws, it is not practical for shareholders resident in other countries to be offered the opportunity to participate in the Plan.

Participation in the Plan is optional and is subject to these terms and conditions. Offers made under the Plan are non-renounceable (i.e. eligible shareholders may not transfer their rights to any BTU Shares offered under the Plan).

An offer may, at the discretion of the directors of BTU, be made under the Plan once a year. The maximum amount, which any shareholder may subscribe for in any consecutive 12 month period, is A\$5,000, in the absence of ASIC and ASX approval. The directors of BTU may also determine in their discretion the minimum amount for participation, the multiple of BTU Shares to be offered under the Plan and the period the offer is available to eligible shareholders.

#### Price of BTU Shares

The price of BTU Shares to be issued under the Plan will be 5 cents per share for the 2009 offer. Accordingly, the maximum number of BTU Shares that each shareholder may apply for under the 2009 offer is 300,000.

#### Applications and Notices

At the discretion of the directors of the Company, BTU will send eligible shareholders a letter of offer and acceptance procedures, inviting them to subscribe for BTU Shares under the Plan, and accompanied by the terms and conditions of the Plan and an entitlement & acceptance form. Applications will not be accepted after the closing date of an offer. Over subscriptions to an offer may be refunded without interest.

Notices and statements made by BTU to participants may be given in any manner prescribed by its Constitution.

#### Underwriting

An Offer may be underwritten and the underwriters and/or sub-underwriters may be issued with Shares pursuant to the Plan where one or more of the eligible shareholders fail to subscribe for the maximum number of shares available to them under the Offer. The Directors may pay a broker's fee to Underwriters.

#### Issue of BTU Shares

BTU Shares to be issued under the Plan will be issued as soon as reasonably practicable after the closing date specified by the Directors of BTU in the relevant offer. Bathurst notes that shares issued under the 2009 offer are subject to shareholder approval at the Extraordinary General Meeting scheduled for 17 July 2009. No shares will be issued under the 2009 offer without shareholder approval.

BTU Shares issued under the Plan will rank equally in all respects with all other fully paid ordinary shares in BTU from the date of issue.

Shareholding statements or CHESS notification will be issued in respect of all BTU Shares issued under the Plan. The Company will, promptly after the issue of BTU Shares under the Plan, make application for those BTU Shares to be listed for quotation on the official list of ASX.

#### Modification and Termination of the Plan

BTU may modify or terminate the Plan at any time.

BTU will notify ASX of any modification to, or termination of, the Plan. The omission to give notice of any modification to, or termination of, the Plan or the failure of ASX to receive such notice will not invalidate the modification or termination.

Without limiting the above, BTU may issue to any person fewer BTU Shares than the person applied for under the Plan if the issue of the BTU Shares applied for would contravene any applicable law or the Listing Rules of ASX.

#### Dispute Resolution

BTU may, in any manner it thinks fit, settle any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the Plan, whether generally or in relation to any participant, application or BTU Shares. The decision of BTU in this respect will be conclusive and binding on all shareholders and other persons to whom that determination relates.

BTU reserves the right to waive strict compliance with any provision of these terms and conditions. The powers of BTU under these conditions may be exercised by the directors of BTU or any delegate of the directors of BTU.
